Disciplinary and Domain Expertise

CLARITY project details

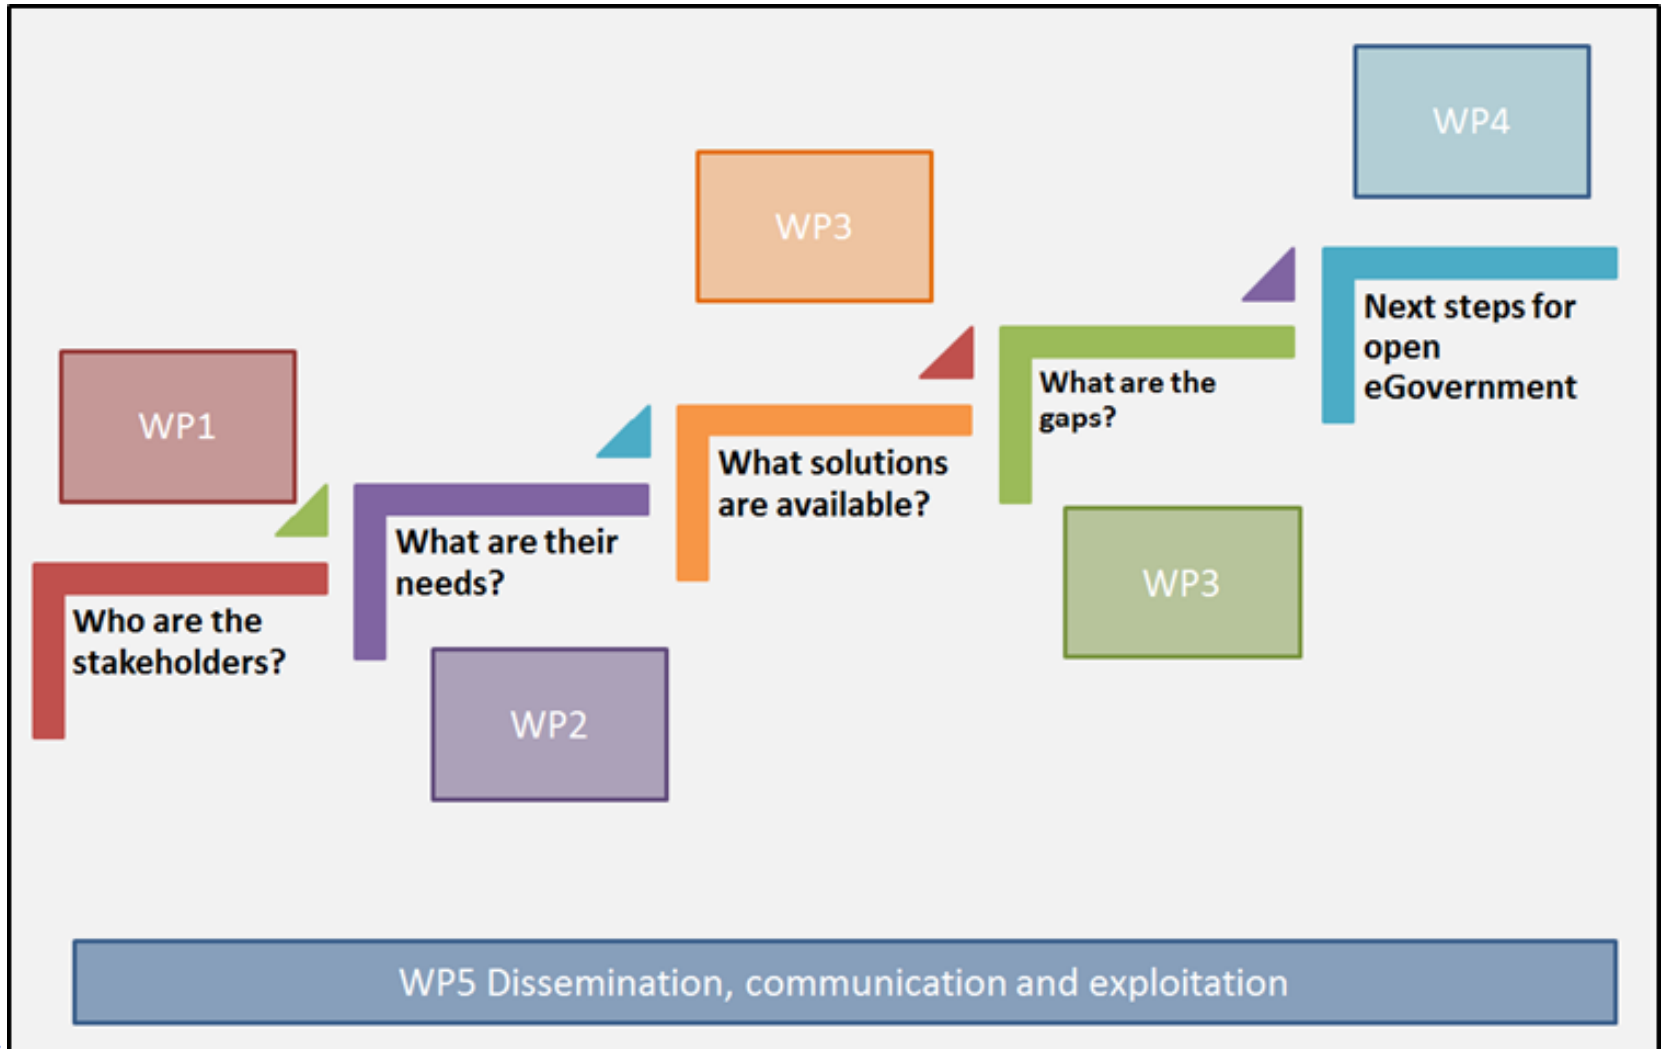

- March 2016- February 2018
- Funding: €599,490 - Grant Number: 693881
- Project co-ordinator: Trilateral Research, UK
- Contact persons:
 - Kush Wadhwa, Director: kush.wadhwa@trilateralresearch.com
 - Thordis Sveinsdottir, Senior Research Analyst: thordis.sveinsdottir@trilateralresearch.com

CLARITY Objectives

- To **mobilise** stakeholders across the open government ecosystem
- To conduct a **needs assessment and gap analysis** to understand gaps in the market and support growth in innovative solutions for open eGovernment in Europe
- To work with stakeholders to **develop a blueprint** for the next steps to encourage the provision and responsible take-up of eGovernment applications to enhance accountability, transparency and trust in public sector services.

CLARITY Process

Key Deliverables

- Stakeholders, needs and drivers in open eGovernment – completed (available on website)
- Catalogue of open eGovernment applications – April 2017
- CLARITY open eGovernment marketplace – from May 2017
- CLARITY Blueprint- For next steps in open eGovernment services – Jan 2018

All CLARITY deliverables are available at
clarity-csa.eu/downloads

The CLARITY Sprint Event

- CLARITY sprint event – three day development sprint in December 2016
 - Brings together the network of eGovernment stakeholders to build civic digital applications in a ‘development sprint’

Challenge 1

Agenda setting and civic participation at the local government level in cities in The Netherlands

Challenge 2

Access to up to date registry of public services in Zaragoza and Madrid

Challenge 3

Access to property, land registry and planning information in Skellefteå Municipality in Sweden

Challenge 4

Optimising citizen interaction with tax administrations while adhering to data protection and privacy principles and regulation

Connect with CLARITY

- Please connect with us and join the CLARITY network – for knowledge sharing, discussion and networking
